

Musical Moments Choir – Session 4/J

Magic Moments

Magic moments

Memories we've been sharing

Magic moments

When two hearts are caring

Time can't erase the memory of

These magic moments filled with love

I'll never forget the moment

We kissed the night of the hayride

The way that we hugged to try to keep warm

While taking a sleigh ride

Chorus

The telephone call

That tied up the line for hours and hours

The Saturday dance I got up the nerve

To send you some flowers

Chorus

--

You are my Sunshine

The other night, dear, as I lay sleeping
I dreamed I held you in my arms
But when I awoke, dear, I was mistaken
And I hung my head and cried

*You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know, dear, how much I love you
Please don't take my sunshine away*

I'll always love you and make you happy
If you will only say the same
But if you leave me to love another
You'll regret it all some day

*You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know, dear, how much I love you
Please don't take my sunshine away*

You told me once, dear, you really loved me
And no one else could come between
But now you've left me and love another
You have shattered all my dreams

*You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know, dear, how much I love you
Please don't take my sunshine away*

Top of the World

Such a feelin's coming over me

There is wonder in most everything I see

Not a cloud in the sky

Got the sun in my eyes

And I won't be surprised if it's a dream

Everything I want the world to be

Is now coming true especially for me

And the reason is clear

It's because you are here

You're the nearest thing to heaven that I've seen

I'm on the top of the world looking down on creation

And the only explanation I can find

Is the love that I've found ever since you've been around

Your love's put me at the top of the world

Something in the wind has learned my name

And it's tellin' me that things are not the same

In the leaves on the trees and the touch of the breeze

There's a pleasin' sense of happiness for me

There is only one wish on my mind

When this day is through I hope that I will find

That tomorrow will be just the same for you and me

All I need will be mine if you are here

*I'm on the top of the world looking down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world*

Moon River

Moon river, wider than a mile I'm crossing you in style someday
Oh, dream-maker You heart-breaker
Where-ever you're going I'm going your way
Two drifters off to see the world There's such a lot of world to see
We're after the same rainbow's end Waiting round the bend
My huckleberry friend Moon river and me
(repeat)

Alexanders Ragtime Band

Come on and hear, come on and hear
Alexander's Ragtime Band
Come on and hear, come on and hear
It's the best band in the land

They can play a bugle call
Like you never heard before
So natural that you want to go to war
That's just the best- est band that am, Honey Lamb

Come on along, come on along

Let me take you by the hand

Up to the man, up to the man

Who's the leader of the band

And if you want to hear the Swanee River played in ragtime

Come on and hear, come on and hear

Alexander's Ragtime Band
