Magic Moments

*Magic moments
Memories we've been sharing
Magic moments
When two hearts are caring
Time can't erase the memory of
These magic moments filled with love*

Theme of the week - My Favourite Things !

My Bonny Lies Over the Ocean

My Bonnie lies over the ocean
My Bonnie lies over the sea
My Bonnie lies over the ocean
So bring back my Bonnie to me

Bring back Bring back oh bring back my Bonnie to me to me
Bring back Bring back oh bring back my Bonnie to me to me

My Grandfather's Clock

My grandfather's clock was too large for the shelf
So it stood ninety years on the floor
It was taller by half than the old man himself
Though it weighed not a pennyweight more

It was bought on the morn of the day that he was born
And was always his treasure and pride

But it stopped, short never to go again
When the old man died

Ninety years without slumbering
His life seconds numbering
It stopped, short never to go again
When the old man died

In watching his pendulum swing to and fro
Many hours had he spent while a boy
And in childhood and manhood, the clock seemed to know
And to share both his grief and his joy
For it struck twenty four when he entered at the door
With a blooming and beautiful bride ---

But it stopped, short never to go again
When the old man died

Ninety years without slumbering
His life seconds numbering
It stopped, short never to go again
When the old man died

My Favourite things

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Cream colored ponies and crisp apple strudels
Door bells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver white winters that melt into springs
These are a few of my favorite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favourite things
And then I don't feel so bad

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woollen mittens
Brown paper packages tied up with strings
These are a few of my favourite things

Cream coloured ponies and crisp apple strudels
Door bells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favourite things

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver white winters that melt into springs
These are a few of my favourite things

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favourite things
And then I don't feel so bad

Raindrops Keep Falling on my Head

Raindrops are falling on my head
And just like the guy whose feet are too big for his bed
Nothing seems to fit
Those raindrops are falling on my head, they keep falling
So I just did me some talking to the sun
And I said I didn't like the way he got things done
Sleeping on the job
Those raindrops are falling on my head, they keep falling
But there's one thing I know
The blues they send to meet me
Won't defeat me, it won't be long
Till happiness steps up to greet me
Raindrops keep falling on my head
But that doesn't mean my eyes will soon be turning red
Crying's not for me
'Cause I'm never gonna stop the rain by complaining
Because I'm free
Nothing's worrying me

With a Little Help from my Friends

What would you think if I sang out of tune?
Would you stand up and walk out on me?
Lend me your ears and I'll sing you a song
And I'll try not to sing out of key
Oh, I get by with a little help from my friends
Mm, I get high with a little help from my friends
Mm, gonna try with a little help from my friends

What do I do when my love is away?
Does it worry you to be alone?
How do I feel by the end of the day?
Are you sad because you're on your own?

No, I get by with a little help from my friends
Mm, get high with a little help from my friends
Mm, gonna try with a little help from my friends

Do you need anybody?
I need somebody to love
Could it be anybody?
I want somebody to love

Would you believe in a love at first sight?
Yes, I'm certain that it happens all the time
What do you see when you turn out the light?
I can't tell you, but I know it's mine

Oh, I get by with a little help from my friends
Mm, get high with a little help from my friends
Oh, I'm gonna try with a little help from my friends

Do you need anybody?
I just need someone to love
Could it be anybody?
I want somebody to love

Oh, I get by with a little help from my friends
Mm, gonna try with a little help from my friends
Oh, I get high with a little help from my friends
Yes, I get by with a little help from my friends
With a little help from my friends
