### Theme of the week - Pick 'n' Mix

#### All the nice girls love a sailor (1908)

All the nice girls love a sailor

All the nice girls love a tar

For there's something about a sailor

(Well you know what sailors are!)

Bright and breezy, free and easy,

He's the ladies' pride and joy!

Falls in love with Kate and Jane, then he's off to sea again,

Ship ahoy! Ship ahoy!

#### Second Hand Rose (1921)

Father has a business strictly second hand

Everything from toothpicks to a baby-grand

Stuff in our apartment came from father's store

Even clothes I'm wearing someone wore before

It's no wonder that I feel abused

I never get a thing that ain't been used

I'm wearing second hand hats

Second hand clothes

That's why they call me  
Second hand Rose  
Even our piano in the parlour  
Father bought for ten cents on the dollar  
Second hand pearls  
I'm wearing second hand curls  
I never get a single thing that's new  
Even Jake, the plumber, he's the man I adore  
He had the nerve to tell me he's been married before  
Everyone knows that I'm just  
Second hand Rose  
From Second Avenue

### **Side by side (1927)**

Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But we'll travel along  
Singing a song side by side  
  
Don't know what's coming tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road  
Sharing our load side by side  
  
Through all kinds of weather  
What if the sky should fall?  
Just as long as we're together  
It doesn't matter at all  
  
When they've all had their quarrels and parted  
We'll be the same as we started  
Just traveling along  
Singing our song side by side

### **We'll gather lilacs (1945)**

Although you're far away  
And life is sad and grey  
I have a scheme, a dream to try  
I'm thinking, dear, of you  
And all I mean to do  
When we're together, you and I

We'll gather lilacs in the spring again  
And walk together down a shady lane  
Until our hearts have learned to sing again  
When you come home once more

And in the evening by the firelight's glow  
You'll hold me close and never let me go  
Your eyes will tell me all I want to know  
When you come home once more

Your eyes will tell me all I want to know  
When you come home once more

### **Those were the days my friends (1968)**

Those were the days my friend  
We thought they'd never end  
We'd sing and dance forever and a day  
We'd live the life we choose  
We'd fight and never lose  
For we were young and sure to have our way

La la la la la la

La la la la la la

La la la la La la la la la la

### **A Hard Days Night (1964)**

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I'll find the things that you do  
Will make me feel alright

You know I work all day to get you money to buy you things  
And it's worth it just to hear you say you're going to give me everything  
So why I love to come home , 'cause when I get you alone  
You know I'll be ok

When I'm home everything seems to be right  
When I'm home feeling you holding me tight, tight, yeah

It's been a hard day's night, and I've been working like a dog  
It's been a hard day's night, I should be sleeping like a log  
But when I get home to you I'll find the things that you do  
Will make me feel alright,

You know I feel alright  
You know I feel alright
