

Musical Moments Summer Session 7

Theme : Songs that make you smile

Magic Moments

Magic moments

Memories we've been sharing

Magic moments

When two hearts are caring

Time can't erase the memory of

These magic moments filled with love

When you're Smiling

When you're smiling

When you're smiling

The whole world smiles with you

When you're laughing

Oh when you're laughing

The sun comes shining through

But when you're crying

You bring on the rain

So stop your sighing, be happy again

Keep on smiling

'Cause when you're smiling

The whole world smiles with you

I'm forever blowing bubbles

I'm forever blowing bubbles,

Pretty bubbles in the air,

They fly so high, nearly reach the sky,

Then like my dreams they fade and die.

Fortune's always hiding,

I've looked everywhere,

I'm forever blowing bubbles,

Pretty bubbles in the air.

Right said Fred

Right, " said Fred, "Both of us together
One each end and steady as we go."
Tried to shift it, couldn't even lift it
We was getting nowhere
And so we had a cuppa tea and

"Right, " said Fred, "Give a shout for Charlie."
Up comes Charlie from the floor below
After strainin', heavin' and complainin'
We was getting nowhere
And so we had a cuppa tea

And Charlie had a think, and he thought we ought - to take off all the handles
And the things wot held the candles
But it did no good, well I never thought it would

"All right, " said Fred, "Have to take the feet off
To get them feet off wouldn't take a mo"
Took its feet off, even took the seat off
Should have got us somewhere but no!
So Fred said, "Let's have another cuppa tea"
And we said, "right-o."

On a clear day

On a clear day, rise and look around you
And you'll see who you are
On a clear day, how it will astound you
That the glow of your being outshines every star

You feel part of every mountain, sea, and shore
You can hear from far and near a world you've never heard before
And on a clear, on that clear day
You can see forever and ever more

Thank Heavens for Little Girls

Thank heaven for little girls
For little girls get
Bigger every day

Thank heaven for little girls
They grow up in
The most delightful way.

Those little eyes
So helpless and appealing
When they were flashing
Send you crashing
Through the ceiling

Thank heaven for little girls
Thank heaven for them all
No matter where,
No matter who

Without them
What would little boys do

Good morning Star shine

Good morning starshine
The earth says hello
You twinkle above us
We twinkle below
Good morning starshine
You lead us along
My love and me as we singing
Our early morning singing song

Gliddy glub gloopy, nibby nabby noopy la, la, la, lo, lo
Sabba sibby sabba, nooby abba nabba, le, le, lo, lo
Tooby ooby walla, nooby abba naba
Early morning singing song

Good morning starshine
There's nothing in the skies
We met in the sunlight
And my lovers eyes
Good morning starshine
So happy to be
My love and me as we singing
Our early morning singing song

Congratulations

Congratulations
And celebrations
When I tell everyone that you're in love with me
Congratulations and jubilations
I want the world to know I'm happy as can be

Who would believe that I could be happy and contented?
I used to think that happiness hadn't been invented
But that was in the bad old days before I met you
When I let you walk into my heart

Congratulations
And celebrations
When I tell everyone that you're in love with me
Congratulations
And jublations
I want the world to know I'm happy as can be

I was afraid that maybe you thought you were above me
That I was only fooling myself to think you'd love me
But then tonight you said you couldn't live without me
That round about me you wanted to stay

Congratulations
And celebrations
When I tell everyone that you're in love with me
Congratulations
And jublations
I want the world to know I'm happy as can be

Congratulations
And jublations
I want the world to know I'm happy as can be

I want the world to know I'm happy as can be
