

## **Musical Moments Summer Session 8**

**Theme : Songs from films**

### **Magic Moments**

*Magic moments*

*Memories we've been sharing*

*Magic moments*

*When two hearts are caring*

*Time can't erase the memory of*

*These magic moments filled with love*

### **My Grandfather's Clock**

My grandfather's clock was too large for the shelf

So it stood ninety years on the floor

It was taller by half than the old man himself

Though it weighed not a pennyweight more

It was bought on the morn of the day that he was born

And was always his treasure and pride

But it stopped, short never to go again

When the old man died

Ninety years without slumbering

His life seconds numbering

It stopped, short never to go again

When the old man died

## **Tulips from Amsterdam**

When it's Spring again I'll bring again

Tulips from Amsterdam

With a heart that's true I'll give to you

Tulips from Amsterdam

I can't wait until the day you fill

These eager arms of mine

Like the windmill keeps on turning

That's how my heart keeps on yearning

For the day I know we can ----- share these Tulips from Amsterdam

## **I could have danced all night (from My Fair Lady)**

I could have danced all night

I could have danced all night

And still have begged for more

I could have spread my wings

And done a thousand things

I've never done before

I'll never know

What made it so exciting

Why all at once

My heart took flight

I only know when he

Began to dance with me

I could have danced, danced, danced all night

## Getting to know you (from the King and I)

Getting to know you  
Getting to know all about you  
Getting to like you  
Getting to hope you like me

Getting to know you  
Putting it my way  
But nicely  
You are precisely  
My cup of tea

Getting to know you  
Getting to know all about you  
Getting to like you  
Getting to hope you like me

Getting to know you  
Putting it my way  
But nicely  
You are precisely

My cup of tea

Getting to know you  
Getting to feel free and easy  
When I am with you  
Getting to know what to say

Haven't you noticed  
Suddenly I'm bright and breezy?  
Because of all the beautiful and new  
Things I'm learning about you  
Day by day

## **Supercalifragilisticexpialidocious (from Mary Poppins)**

It's supercalifragilisticexpialidocious  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious

Because I was afraid to speak  
When I was just a lad  
My father gave me nose a tweak  
And told me I was bad  
But then one day I learned a word  
That saved me aching nose  
The biggest word you ever heard  
And this is how it goes

Oh, supercalifragilisticexpialidocious  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious

He travelled all around the world and everywhere he went  
He'd use his word and all would say there goes a clever gent  
When dukes of Maharajah pass the time of day with me  
I say me special word and then they ask me out to tea (woo)

Supercalifragilisticexpialidocious  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious

Supercalifragilisticexpialidocious

### **Summer Holiday (from Summer Holiday)**

We're all goin' on a summer holiday  
No more workin' for a week or two  
Fun and laughter on a summer holiday  
No more worries for me or you  
For a week or two

We're goin' where the sun shines brightly  
We're goin' where the sea is blue  
We've seen it in the movies  
Now let's see if it's true

Every wee body has a summer holiday  
Doin' things they always wanted to

So we're goin' on a summer holiday  
To make our dreams come true  
For me and you

We're goin' where the sun shines brightly  
We're goin' where the sea is blue  
We've seen it in the movies  
So let's see if it's true

Everybody has a summer holiday  
Doin' things they always wanted to  
So we're goin' on a summer holiday  
To make our dreams come true  
For me and you  
It's a week or two  
And a dream come true

## **Congratulations**

Congratulations  
And celebrations  
When I tell everyone that you're in love with me  
Congratulations and jubilations  
I want the world to know I'm happy as can be

Who would believe that I could be happy and contented?  
I used to think that happiness hadn't been invented  
But that was in the bad old days before I met you  
When I let you walk into my heart

Congratulations

And celebrations

When I tell everyone that you're in love with me

Congratulations

And jublations

I want the world to know I'm happy as can be

I was afraid that maybe you thought you were above me

That I was only fooling myself to think you'd love me

But then tonight you said you couldn't live without me

That round about me you wanted to stay

Congratulations

And celebrations

When I tell everyone that you're in love with me

Congratulations

And jublations

I want the world to know I'm happy as can be

I want the world to know I'm happy as can be
